

Jazzmin Ober

San Antonio, TX | +1(956) 393-8647 | jazzminober@gmail.com

Professional Summary

Compassionate and driven behavioral health professional with extensive experience supporting justice-involved adults with mental health and substance use needs. Skilled in case management, mental health assessment, treatment planning, and trauma-informed group facilitation, with a strong foundation in recovery-oriented care. Background includes work in forensic, community mental health, and court-based settings, with a proven ability to collaborate with interdisciplinary teams and community supervision officers. Committed to promoting stability, resilience, and long-term success through person-centered, evidence-based approaches.

Work Experience

Care Manager / Group Facilitator

The Center for Health Care Services, Texas Correctional Office on Offenders with Medical or Mental Impairments (TCOOMMI) Genesis Program | San Antonio, TX

November 2024 to March 2026

Managed a caseload of justice-involved adults with mental health needs, delivering comprehensive case management and care coordination; conducted mental health screenings and clinical assessments to inform individualized treatment plans; developed and implemented trauma-informed treatment plans to support long-term stability; facilitated psychoeducational group sessions to strengthen coping skills and engagement; collaborated with community supervision officers and multidisciplinary teams; connected clients to housing, employment, and medical resources to address social determinants of health; maintained accurate clinical documentation in compliance with regulatory standards

Rehabilitation Technician

Kerrville State Hospital, Rehabilitation Department | Kerrville, TX

May 2022 to June 2024

Delivered rehabilitative therapy services to individuals with serious mental illness in an inpatient setting; assisted in the development and facilitation of structured treatment programs; provided guidance and training support to newly hired staff; exercised judgment in high-responsibility clinical environments; participated in emergency and disaster response efforts
